We at Lansdowne Podiatry are committed to providing you with the best possible care. If you have Medical Insurance, we are eager to help you receive your maximum allowable benefits. In order to achieve these goals, we need your assistance and your understanding on our payment policy.

Unless INSURANCE ARRANGEMENTS have been approved in advance by our staff, payment for services is due at the time services are rendered. We accept payment in the form of cash, check, MasterCard, American Express, Discover, or Visa. We will be happy to help you process your insurance claim at each visit.

Returned checks and balances older than 30 days are subject to additional collection fees and interest of 1.5% per month. We will gladly discuss your proposed treatment and answer any questions relating to your insurance.

You must realize, however, that:

1. Insurance is a contract between you and your insurance company.
2. Our fees generally fall within the acceptable range by most insurance companies, and therefore are covered up to the maximum allowance determined by each carrier. This applies only to companies who pay a percentage (such as 50% or 80%) of U.C.R.. "U.C.R." is defined as Usual, Customary and Reasonable fees for this region. Thus, our fees are considered Usual, Customary, and Reasonable by most companies. This does not apply to companies who reimburse based on arbitrary "schedule" of fees, which bears no relationship to the current standard of fees and cost of care in this area.
3. Not all services are a covered benefit in all contracts. Some insurance companies arbitrarily refuse to cover certain services. We have no control over this.
4. MEDICARE PATIENTS: We would like you to understand that accepting assignment means that YOU are responsible for the YEARLY DEDUCTIBLE and for the 20% (co-insurance) of what Medicare allows. You are also responsible for services that your supplemental/ secondary insurance does not cover. If your supplemental/ secondary insurance does not pay this amount, YOU are responsible for it.

The filing of insurance claims is a courtesy that we have always extended to our patients. However, all charges are your responsibility, not your Insurance Company's. We will make our best effort to collect from them, but if, despite our best efforts, we are not successful, you are responsible for the unpaid balance.

We realize that temporary financial problems may affect timely payment of your account. We don't want any financial problems to get in the way of our good relationship with you. If such problems do arise, we encourage you to contact us promptly for assistance in the management of your account.

If you have any questions about the above information or any uncertainty regarding insurance coverage, please don't hesitate to ask us. We really are here to help you.

1. All co-payments are due at the time of visit. Postdated checks are not accepted.
2. Co-insurance and unmet deductibles are due prior to scheduled surgeries and procedures. Once benefits are verified and your financial responsibility calculated, you will be notified of the payment amount and due date.
3. You are ultimately responsible for payment of charges for services you receive from our office.

4. In accordance with your insurance member handbook, it is your responsibility to provide accurate insurance information and to present your insurance ID card at the time of your visit. If you do not have insurance or do not present a valid insurance card, you will be responsible for payment at the time of service. We will provide you with a copy of our billing form so that you can obtain reimbursement from your insurance company.
5. It is your responsibility to ensure that our physician is in your insurance network.
6. If your plan requires a referral, it is your responsibility to obtain this prior to being seen by our provider.
7. Cancellations for appointments and procedures must be received at least 24 business hours prior to the scheduled appointment. Cancellations for scheduled surgery must be received at least 5 days prior to the scheduled surgery date and time. Patients who fail to cancel a scheduled appointment will be charged a \$60.00 cancellation fee.
8. Payment is due for rendered services 30 days from the date of your billing statement. Unpaid previous balances must be paid in full prior to any additional visits, unless arrangements have been made with our financial counselor.
9. The returned check fee is \$35.00.
10. Medical records requests must be received in writing at least 72 hours prior to the date needed. Fees for medical records are set in accordance with allowable amounts as defined by the state of New Jersey. Fees must be received prior to record delivery. No more than 5 pages may be faxed.
11. Administrative Services: There is a \$25.00 charge for each Administrative Service payable prior to service completion. This Administrative Service Fee covers specific administrative services such as forms completion for family medical leave and disability, letters for insurance authorization for brand or non-formulary drugs, letters for employers, school, health clubs, and any other administrative item not covered by insurance.
12. All sales are final with any over the counter (OTC) or durable medical equipment (DME) items.
13. PATIENT REFUNDS - Please allow 60 days from the time your insurance company responds to a claim for your deposit refund to be processed. Refunds will be issued in the form of a paper check that will be mailed to your home address.
14. COLLECTIONS FEE: You will be sent up to three notices for your financial responsibility (co-insurance, deductible) after payment and/or explanation of benefits (EOB) is received from your insurance company/companies. After the third and last notice, your account will be forwarded to our collection agency. If your account is sent to a collections agency, a 35% fee will be added to your account. You bear complete financial responsibility for any fee(s) incurred.

I, \_\_\_\_\_, have received, read, and understand the financial policy at Lansdowne Podiatry.
